In the recent fiscal year the audit functions with our prior accountants were relocated to offices in Toronto. As a result the company has had difficulty adapting to the needs of coordinating with two offices.

The Board of Directors of Medical International Technology, Inc. approved the change in accounting firm as of April 12, 2007. Dismissing the prior accounting firm and engaging the new accounting firm as of that date.

The new accounting firm was not consulted prior to engagement on any specific accounting matter either completed or proposed.

Medical International Technology, Inc. has never had nor anticipates having, nor had during the two most recent fiscal years or any subsequent interim period preceding the date of change any disagreements with accountants on matters of accounting, financial disclosure, matter of accounting principles or practices, or auditing scope or procedure; nor has any principal accountant, currently or in past recent years, resigned or declined to stand for re-election.

During the September 30, 2006 audit engagement, management may not have provided all requested audit documentation and/or information to allow Schwartz Levitsky Feldman LLP to complete the audit of Medical International Technology, Inc. for the year ended September 30, 2006.
